

A Note from the Historical Commission

To the good people of Indiana Township:

Come to the Town Hall located at 3710 Saxonburg Boulevard on Tuesday, May 31st from 10am to 4:30pm and bring in your historic pictures/memorabilia to be recorded for our records and for possible inclusion in the new volume of the history book we are working on. There was an article in The Herald on Thursday, May 17th about it.

I will also be more than happy to make house calls if some can not make it to Town Hall that day.

I can be reached at 216-288-1824 (cell phone) or ebast1@yahoo.com.

Thank you in advance for your participation!
